

Seneca Newsletter

November 2017

Just a Reminder ...

Burn Ban has been lifted, but you still need a burn permit.
Come by the office for a free permit
if you are planning on burning.

Barrel Burn – Good through
the end of the year.
Open Burn – 10-day time frame.

Wastewater Facility Plan

Work is finally getting under way on the update to Seneca's wastewater lagoon system. You will see different people in town taking measurements, readings, and doing survey work. This is all part of the process with new construction proposed to start next spring. If you have any questions about the Wastewater Facility Plan, feel free to call the City Office for more information.

UPCOMING EVENTS
