

# Seneca Newsletter

December 2017

Just a Reminder ...

Just to let everyone know, we now have **two** official notaries on staff at the City Office. If you need something notarized and don't want to go all the way to town, then come by when the office is open and we can take care of you.

## Sewer Issues

While all the residents and businesses in the City of Seneca are looking forward to having new sewer pipes, just a reminder that all previous and current rules for "things that don't go down the drain" still apply. The maintenance staff have noticed an increase of certain items that shouldn't be flushed and kindly ask that it stop due to the increased backups in the sewer lines in town.

Thank You!
